The People Bank is committed to communicating its Health and Safety program to all employees. Our Joint Health & Safety Committee (JHSC) conducts workplace inspections, makes recommendations and takes corrective action to ensure safety in the workplace, wherever possible.

Employees are responsible for adhering to the Health & Safety Code and to all policies and procedures implemented by the JHSC. Employees must report any unsafe practices and/or conditions to the JHSC immediately. The People Bank seeks to promote a safe working environment through the cumulative efforts of all its employees.
